

SPECIFICATION

This fully-enclosed and corded product is designed to be mounted flush into furniture and case goods. PowerHub is fully UL compliant and includes Tamper Resistant Outlets. Designing guest-rooms and public spaces with easy to reach power with USB-A & USB-C charging ports has never been easier.

- Provides guests with easy-to-find charging outlets.
- Uniquely designed for installing flush into furniture, millwork or case goods.
- Two AC outlets, two USB-A & one USB-C charging ports.
- High-current/fast-charging USB port supports wide range of portable devices including smartphones and tablets.
- Engineered for safety with Built-in Circuit Breaker and Tamper Resistant outlets.
- No need to commandeer a wall outlet, pass-thru power plug replaces wall outlet used to install.
- Includes Metallic Charcoal and Rubberized Black Trim options.
- UL962A Approved

Pass-Through Plug

With the pass-through plug, the PowerHub USB allows you to provide more power outlets for guests without using any power outlets itself.
(US AC Models Only)
