

## SPECIFICATION

The JBL Horizon Hotel alarm clock offers room-filling JBL stereo sound with wireless Bluetooth streaming. The dual USB ports are easily accessible and allow guests to charge their mobile devices at the nightstand. Single day alarm prevents guests from waking to previously set alarms and a battery backup ensures guests won't miss their own alarms. The compact design, crisp LCD display and ambient light are ideal for the nightstand.

Alarm clock Bluetooth speaker with USB charging ports and ambient light.

- Single day alarm feature prevents unwanted alarms from sounding.
- Security lanyard with tamper proof screw to secure the unit to desk.
- Dual 1A USB ports for simultaneous charging.
- Bluetooth streaming for wireless audio.
- Ambient light for gradual wake or night light.
- Built-in light sensor automatically adjusts display brightness to suit room lighting.
- Soft rubberized finish and space-saving design.
- Easy to set alarm.
