ChargePort™ Vertical Mount

TeleAdapt-designed vertical mount charging solution. Allows hotels to place AC and USB power outlets where guests need them most. Conveniently located outlets provide the power source guests need to charge smartphones, tablets, laptops and other portable devices. Perfect for bedside placement so guests can comfortably use their device while it's charging. Optional cable management feature provides additional connectivity at the desk or nightstand.

Beside placement lets guests comfortably use their devices while charging them.

Order Numbers for the ChargePort Family:

Desktop version (black) - TA-7800-D8-AS

Vertical version (black) - TA-7800US-D8-AS1

Desktop version (brushed metallic) - TA-7800US-D8-BS

Vertical version (brushed metallic) - TA-7800US-D8-BS1
