

Exciting New Products from TeleAdapt®

TeleAdapt, the industry leader in hospitality connectivity solutions, is proud to offer hotels multi-media, power & charging and Internet products designed specifically for the hotel guestroom.

MediaHub Mini™ | TA-3350

The MediaHub Mini provides high current 2.1 Amp USB charging, HDMI video and Bluetooth pairing point for wireless music playing. All the connectivity your guests need in a most simple and compact design. Available in two beautiful finishes, brushed aluminium or rubberized black.

- Auto-Switching, CEC
- Bluetooth Audio
- 1 x 2.1 Amp USB
- 1 x 500mA + passthrough USB
- Single HDMI install
- Optional face plates

MediaHub Mini Extender™ | CKIT-MHMN

Flush-mounted adapter plate combines MediaHub Mini with PowerHub for an all-in-one multimedia connectivity panel. MediaHub plus PowerHub offers all the audio/video inputs your guests need to enjoy their own content from ANY media playing device through the in-room TV while providing conveniently located power outlets to keep mobile devices charged up.

- Flush mount design
- Media & Power in one panel
- Choice of PowerHub
- Choice of AC sockets
- Choice of trims
- Overload protect switch

MediaHub Mini Desktop™ | TA-3350D

The MediaHub Mini Desktop focuses on simplicity, providing guests with the most important and universally accepted mobile connections to charge and play. USB ports offer fast charging for mobile devices, including tablets while the Bluetooth allows guests to listen to their music over the TV speakers without docking their devices.

- Single HDMI Cable
- Auto-Switching
- IP Network Connected
- Apple iDevice Port
- Universal AC Outlets
- Customizable Face Plates

ChargeTime™ | TA-7830

ChargeTime is an attractive alarm clock with USB charging and a minimalist design. Taking up little space on the nightstand, ChargeTime leaves ample room for guests. With two USB ports highlighted on the front of the device, guests will immediately recognize the amenity before doing the familiar crawl under the nightstand in search of an outlet.

- 2 x USB charging
- Single-set alarm clock
- Small footprint
- Low cost

ChargePort™ | TA-7800

Hotel guests all over the world share one common complaint: not enough power at the nightstand. Lack of convenient power within reach is easily the most pervasive problem among hotels today. That's why TeleAdapt developed ChargePort—the only desktop mounted power solution designed specifically for bedside charging.

- High-Current USB
- Optional Cable Chamber
- Pass Through Power Plug
- No Available Outlet Required
- Available in black or brushed nickel finish

PowerHub™ with USB | TA-7530

Sleek, beautiful, and easy to install into casegoods, the PowerHub is a simple way to put additional power outlets and USB Charging ports right where your guests need them most. Install at the desk for laptop power, or mount flush in the nightstand to offer bedside charging overnight for smartphones, tablets, or laptops.
